

To Whom It May Concern,

It is with great pleasure that we write this referral letter for Sea Coast Pools, who recently designed and built our beautiful pool and hot tub. From the very beginning, the experience was smooth and enjoyable, thanks to the professionalism and expertise of the Sea Coast Pools team.

One of the highlights was their assistance in selecting the perfect tile for the pool and the surrounding area. Their expertise was invaluable in replacing the old stone with stunning new tiles that have truly enhanced the aesthetic appeal of our backyard. The final result is not only beautiful but also functional, providing us with a luxurious space to relax and entertain.

We must specifically mention George, whose exceptional customer service and courteous manner made the entire process a breeze. He is truly a gentleman and a pleasure to deal with. Additionally, Joe, the foreman of the project, was instrumental in ensuring every detail was attended to. He worked closely with us, addressing every bump in the road and ensuring that the final outcome exceeded our expectations.

We highly recommend Sea Coast Pools to anyone looking to design and build a pool or hot tub. Their dedication to quality and customer satisfaction is evident in every aspect of their work.

Sincerely,

Jimmy and Kathy Connolly
